## Main Particulars

Laundry Farmhouse is a Grade II listed building located in the quaint village of Rotherwick, near Hook. It is situated on the edge of the village with a private driveway leading to the house and surrounding grounds.

The property comprises a wealth of original character with two large reception rooms, two double bedrooms and a small single bedroom or office. The kitchen and bathroom are to the rear of the property in an extension dating back to the early 20th century. There are open fires, wood burners and electric heaters throughout the property.

Laundry Farmhouse is new to the rental market and would suit a couple or family that want to live in the countryside but maintain close links to larger towns.

The Landlord is looking for a tenant that would be willing to enhance/maintain the standards of the property in return for a lower than market rental amount. Call Skopic for more information and to discuss possible options.
